

Welcome to Fresha School Meals Spring/Summer 2026 - Main Menu

At Fresha our vision is simple and heartfelt, to improve the life chances of children and young people through the food they eat. We are proud to be making a positive contribution to your children's diet and overall health.

Alongside meat and fish, our menus include at least 30 different plant-based ingredients, because what children eat matters. By offering a wide variety of wholesome foods, we help develop healthy habits that can last a lifetime.

We champion fresh, seasonal, local and sustainable produce. Not only does this mean tastier, more vibrant meals, it also supports our communities and protects the world your children are growing up in.

Fresh local produce

We love using fresh, regional and sustainably sourced ingredients in our meals. By choosing produce that's in season, we make sure everything is selected at its very best

High quality, varied meals

We create menus that bring together well-loved favourites and new, exciting dishes packed with quality, flavour and goodness

Allergies/food allergies

We understand that every child is different. That's why we provide carefully planned menus to support food allergies and intolerances

We offer a colourful salad bar filled with a fresh selection of seasonal vegetables and fruit to enjoy alongside each meal. For dessert, we also provide the option of yogurt or fresh fruit
